Fee notes & terms

- Fees are per apprentice and based on **remote assessment**. Please ask about face-to-face options if required.
- **EPA is exempt from VAT** — we do not charge VAT on end-point assessment.
- We aim to keep our fees **transparent and fair**. We reserve the right to amend fees, but aim to hold them until **1 January 2027**; contracted providers receive at least **three months' notice** of any increase.
- Different versions of a standard may be priced individually; the applicable fee reflects the assessment plan version in place at the apprentice's start date.
- Re-sit / re-take fees are usually charged **per element** (e.g. one of three components = approximately one third of the overall fee).
- Assessments are processed via **EPA Pro (Proficient)** or **ACE360** — providers may choose either platform.
- Volume discounts are available for cohort bookings.
